Girl Power

Did you know that IndiGo has the world's highest number of women pilots? At IndiGo, we celebrate 'Girl Power' throughout the year. We on-board 60% of India's female cabin crew and are proud to be India's only airline with an all-women cabin crew. IndiGo joined IATA's Initiative '25 by 2025' in 2022 to become one of the change agents.

IndiGo believes in Girl Power, champions the idea of workplace equality, and leads by example. We applaud and encourage the women of IndiGo who choose the runway, and take-off towards their dream and follow their passion.

As part of the IATA initiative we are aiming at:

1/2 - 50% women representation on overall headcount

1/3 - 33% women representation in non-crew

1/4 - 25% representation in leadership positions

Building a Responsible Business

We are dedicated to conducting business in a sustainable and responsible manner, taking into account the impact of our activities on the environment, society, and all our stakeholders.

Our ESG efforts are aligned with our core values and principles and are aimed at achieving our long-term goals while creating value for all stakeholders. We have established a comprehensive ESG framework that covers all aspects of our operations, including environmental impact, social responsibility, and corporate governance.

To ensure effective implementation of our ESG policies and initiatives, we have an organisation-wide ESG taskforce consisting of representatives from all major the Company functions. This taskforce is empowered to oversee the implementation of all ESG activities and ensure that they are aligned with our ESG objectives and targets. We believe that this coordinated approach to ESG will help us achieve our vision of becoming a sustainable and socially responsible organisation.
